FUNDAMENTALS OF ENGLISH GRAMMAR

Third Edition

Betty Schrampfer Azar

A classic developmental skills text for lower-intermediate and intermediate students of English as a second or foreign language, *Fundamentals of English Grammar* is a reference grammar as well as a stimulating and teachable classroom text.

While keeping the same basic approach and material as in earlier editions, the third edition more fully develops communicative and interactive language-learning activities. Some of the new features are:

- Numerous “real communication” opportunities
- More options for interactive work in pairs and groups
- Additional open-ended communicative tasks for both speaking and writing
- Expanded error analysis exercises
- Interesting and lively new exercise material
- New appendices for phrasal verbs and prepositions
